

In today's lecture, we covered the material from the following resource:  Python Loop Exercises for Beginners <https://github.com/giannis00/Teach-python/blob/main/Python%20Loop%20Exercises%20for%20Beginners.pdf>

Please make sure you go through the examples we discussed and try to complete the exercises yourselves.

For additional practice and to review Python loops (for loops, while loops, etc.), you can use the following online resource:  W3Schools – Python For Loops https://www.w3schools.com/python/python_for_loops.asp
